AN ACT TO PROVIDE FOR SUITABLY REWARDING CERTAIN VETERAN SOLDIERS AND SAILORS.

Be it enacted, etc., as follows:

SECTION 1. For the purpose of promoting the spirit of loyalty and patriotism, and in recognition of the sacrifice made both for the commonwealth and for the United States by those veteran soldiers and sailors who volunteered their services in the civil war, and for the purpose of promoting the public welfare, by giving visible evidence to this generation and future generations that, if danger should again threaten the nation and the call should again come for men, Massachusetts will not forget the great service of those who volunteer, a gratuity of one hundred and twenty-five dollars to each veteran is hereby authorized to be paid from the treasury of the commonwealth under the conditions hereinafter set forth.

SECTION 2. The gratuity herein provided for shall be paid to every person, or his legal representatives, not being a conscript or a substitute, and not having received a bounty from the commonwealth or from any city or town therein, who served in the army or navy of the United States to the credit of the commonwealth during the civil war, and was honorably discharged from such service, and is living at the time of the passage of this act; it being intended and provided that the said gift shall not be a bounty, nor a payment in equalization of bounties, nor a payment for services rendered, nor a payment for the purpose of making the result of their contracts of enlistment more favorable to them because the contracts of other soldiers were on better terms, but a testimonial for meritorious service such as the commonwealth may rightly give, and such as her sons may honorably accept and receive.

SECTION 3. The auditor, the secretary of the commonwealth and the adjutant general shall be a commission to act upon applications made hereunder, and the said commission may expend for clerical assistance and for such other expenses as may be necessary in carrying out the provisions of this act a sum not exceeding two thousand dollars; and said commissioners shall receive such compensation for their services as the governor and council may determine.

SECTION 4. City and town clerks and treasurers shall, upon the request of any applicant hereunder or of the said commission, furnish the commission with lists of all persons to whom bounties for service in the civil war were paid by their respective cities and towns.

SECTION 5. The sums payable under this act shall be paid only to the person or his legal representative named in the certificate granted by said commission, or to his executor or administrator.

SECTION 6. The fee for the prosecution of a claim under this act shall not exceed the sum of five dollars; and the fee agreed upon between the parties, not exceeding the said amount, shall be paid to the attorney or other person entitled thereto out of the amount allowed on the certificate of the commission allowing the same. Any attorney or other person who demands or receives for his services any greater compensation than the sum above specified shall be guilty of a misdemeanor, and shall for every

such offence be punished by a fine not exceeding one hundred dollars or by imprisonment at hard labor for a term not exceeding six months, or by both such fine and imprisonment.

SECTION 7. The expenditures to be made under authority of this act shall be taken from the Massachusetts Volunteer Fund, and if the fund shall not be sufficient for the purpose, the treasurer and receiver general, with the advice and consent of the governor and council, may from time to time issue bonds of the commonwealth to an amount not exceeding one hundred and fifty thousand dollars. Such bonds shall be issued for terms of not more than ten years, shall be sold or disposed of in such manner and at such times and prices, and in such amounts and at such rates of interest, not exceeding four per cent per annum, as the treasurer, with the approval of the governor and council, may determine.

SECTION 8. This act shall take effect upon its passage. [*Approved June 3, 1912.*]
